Angelo Karon Williams, Appellant Pro Se. Jason Daniel Medinger, Assistant United States Attorney, Baltimore, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Angelo Karon Williams, a federal prisoner, appeals the district court's order denying relief on his 28 U.S.C. § 2241 (2012) petition. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Williams v. Holder, No. 8:13-cv-00252-PWG (D. Md. Aug. 16, 2013). We deny Williams' motions to amend the caption and for summary judgment/show cause hearing and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
